CPM Chapter Sponsorship Opportunity

As a sponsor, you will be putting your company name, products, and services in front of the area's premier current and future business leaders. Our membership consists of a wide array of project management and control professionals as well as executives representing the broad base of industries that the Washington area supports. Becoming a sponsor means that your company will be promoting the value of our mission to promote excellence in project management and project performance management and supporting the continuing education of your teams in the latest trends, topics, and ideas in integrated program performance management.

CPM WDC is supporting our members to achieve and maintain professional certifications. Our events help us to achieve this goal for our membership. Our meetings host engaging speakers on hot topics in the field and issue PDU/CEU.
