

Jim is a senior manager at Raytheon Technologies. He has over 20 years software project management and EVMS experience. For the last 8 years, Jim has designed, implemented and taught Agile EVM methods on several large-scale Agile software development projects. Jim is an active member of the NDIA IPMD Agile working group and a frequent presenter on Agile EVM at industry conferences. He contributed to the development of both the PARCA Desktop Guide and the NDIA Agile EVM guideline. Jim has a Bachelor Degree in Electrical and Computer Engineering from the University of Notre Dame. He holds certifications in Project Management (PMP), Raytheon Earned Value, Scrum Master and Product Owner.
